

To our friends at
Pinnacle Anesthesia Consultants -
Thank you for your incredibly gener-
ous donation to the Airborne Angels
in December! Each of our mailings
costs \$2000-\$3000 in postage, so you
have covered the first \$ for 5 mailings
of 2011!

Back in 2005 when we first started,
we could meet at each other's houses
and a "big" mailing was 10 boxes.
Now we need a ballroom to lay out
all our goodies and pack the boxes,
and we pack 250+ boxes per "packing
party." In 2010, we mailed 2760
boxes over the year, and we estimate
that we've touched about 12,000 soldiers

I'm including a couple of photos
that we've received from platoons
after our Christmas boxes arrived,
so you can see what you are now
part of. Thank you for joining
our team! We will be good stewards
of your donated funds - we'll be
packing again on January 23rd.

Sincerely yours,
Nancy Burner
